PROFILE SUMMARY

Computer Science graduate with experience in full stack development using C#, .NET, React, and SQL. Internships at Genetec and CAE focused on delivering high-quality, maintainable software. AWS Cloud Practitioner certified, with entrepreneurial experience driving growth through digital solutions.

WORK EXPERIENCE

Genetec 2025

C# Software Developer Intern Montreal, Quebec

- Developed and maintained video streaming and archiving features in C# and WPF, focusing on bug fixes, new functionality, and adherence to coding standards and documentation.
- Collaborated closely with the team, incorporating feedback to deliver high-quality, maintainable code.

CAE 2024

SW and Business Intelligence Developer Intern Saint-Laurent, Quebec , Quebec

- Worked as a Full Stack Developer on the Internal Tools team at CAE, developing and maintaining internal web applications with React (TypeScript), Express, C#.NET, and MySQL.
- Added new features, fixed bugs, optimized user workflows, and enhanced overall tool functionality.

Edom Media

2022--2025

Web Developer Montreal, Quebec

- Co-founded Edom Media, a digital agency providing a wide range of web services for businesses.
- Designed, developed, and published client websites.
- Led client meetings to deliver personalized solutions, project quotes, and implementation roadmaps.
